

Plan of site

Objective:

The objective of the site is to be able to arouse people's interest in being able to stay at our hotel in order to generate greater comfort and recognition at a national level.

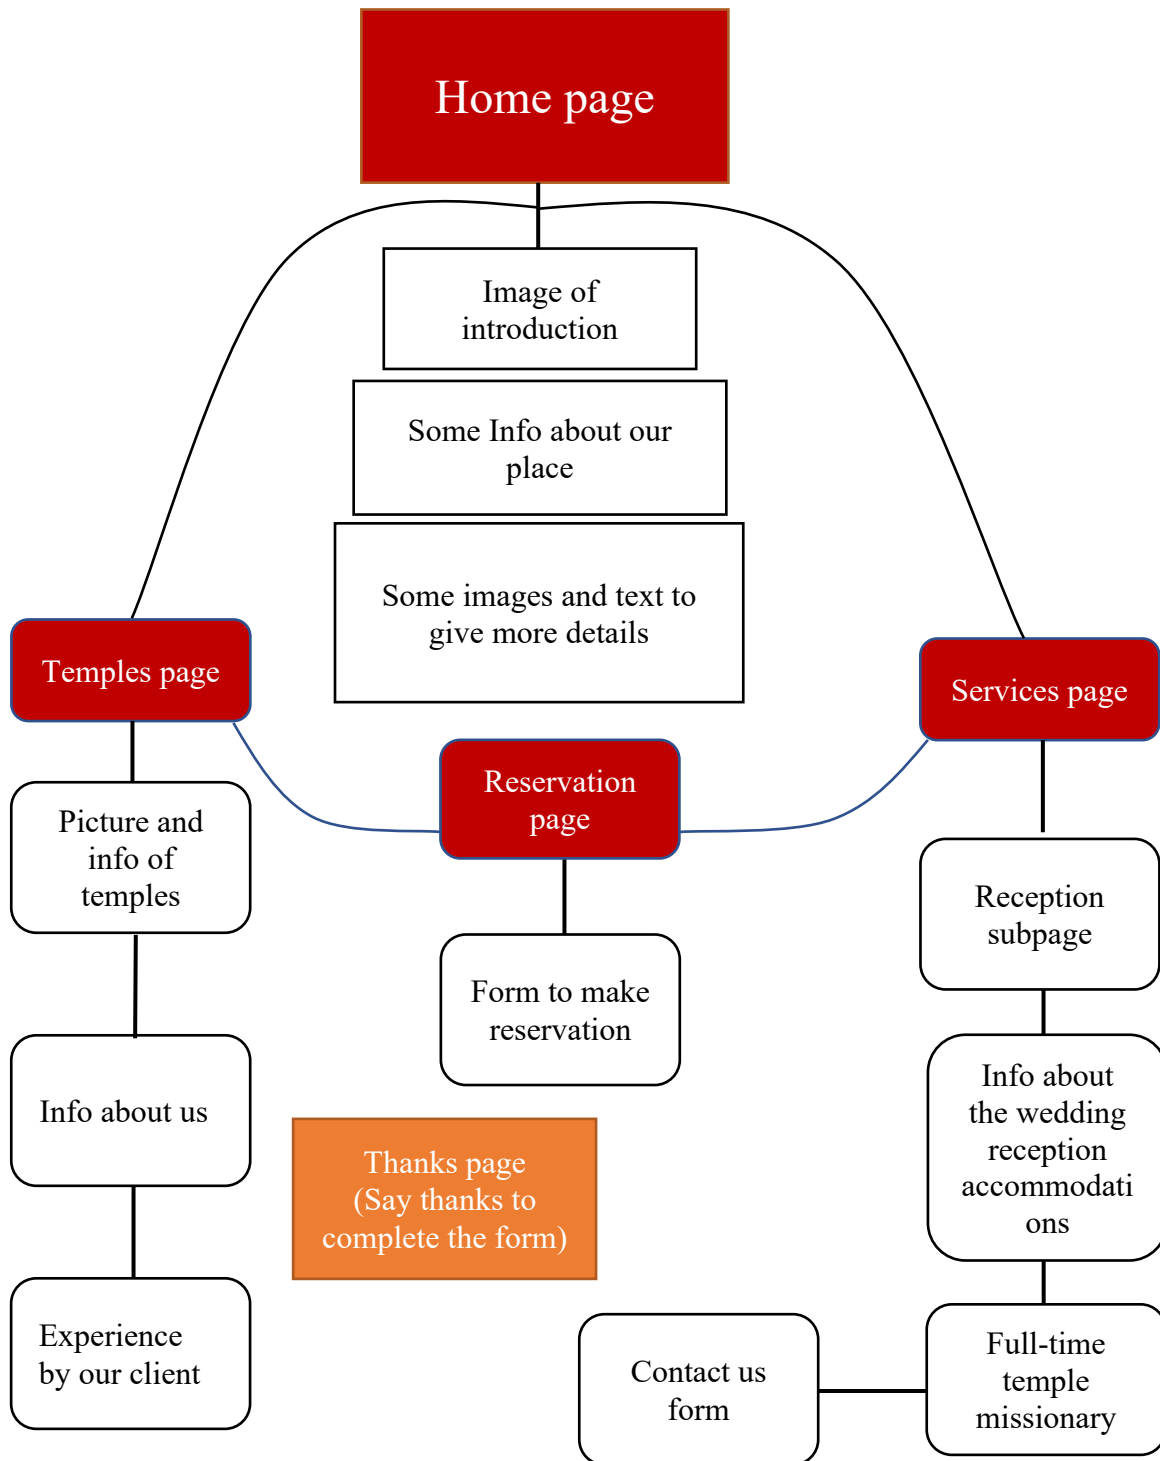

Also facilitate the use of technology by providing a section where they can make reservations through our website. As well as knowing a little more about us from our places such as rooms, our staff and our field.

target audiences:

picture	 <small>VectorStock</small>
